REAL-TIME ISSUE REPORTING

Citizen-Powered Environmental Monitoring

Any citizen can report an environmental issue — garbage, pollution, or unclean areas — pinpointed on a live map of Haridwar district.

- **4 Issue Categories**
Garbage · Pollution · Dirty Area · Other — each colour-coded on the map
- **Location Picker**
Citizen selects exact location on an interactive Leaflet map — geo-tagged and publicly visible
- **Photo Upload**
Photographic evidence attached to each report for transparency and faster resolution
- **Status Tracking**
Reports tracked from Filed → In Progress → Resolved, visible to all citizens

Government benefit: Real-time visibility into cleanliness issues across the Mela grounds — enabling faster deployment of sanitation teams.
